Subject: Internship as a Full Stack Developer at our Company

Dear Shubham,

We are pleased to confirm your internship as a Full Stack Developer within our Company. This internship commences on 13th October 2023. It will be a paid internship opportunity and shall come to a culmination at the end of three months. Your work schedule is going to be from Monday to Friday and you are expected to put in at least 8 hours of work during each of these days. You will be paid a stipend of Rs.15,000 (Rupees fifteen thousand only) per month. During your stint, you will be working closely with the Founders of the Company and will receive guidance from our senior developer.

During your internship, you will have access to confidential information and trade secrets of the Company. By signing this letter, you agree to keep such information confidential and abstain from using it for personal gains or divulging it to any external entities. At the end of your internship, you also agree to return any equipment, documents or other Company property issued to you by the Company.

You acknowledge that all inventions which are made by you (solely or jointly with others) during the period of this internship with the Company are "Works made for hire" as per applicable laws prevailing in India and elsewhere and are adequately compensated by your stipend specified in this Letter. You acknowledge that the Company is not required to designate you as an author of any design, computer program, or other work of authorship and that you shall have no right to exercise any economic rights to the Inventions. Without limiting the foregoing, you will not have the right to and will not reproduce, adapt, modify, publish, distribute, sub-license, publicly perform or communicate, translate, lease, import and otherwise exploit the Inventions, except as expressly authorised by the Company in writing.
